

Complimentary Infant Oral Examination

This certificate is redeemable for
an infant oral examination

Dr. Jeffrey Hiester
7200 E Virginia Street
Evansville, IN 47715
812-479-8609

Please call our office to schedule our complimentary visit. When you call, please advise our staff that you have this courtesy certificate.

The American Academy of Pediatric Dentistry recommends that children have their first dental examination 6 months after the first tooth erupts.
